What's New?

We are excited to announce that TASK LI is now able to go paperless! We will be sending out both paper and e-mailed invoices in February and will give you the option of going completely paperless for the month of March. Additionally, we can now accept Credit Card (or Debit Card) payments. Instructions to make these payments will be on February's emailed invoice. GO GREEN!

Client Corner

"I wish I knew about TASK years ago. We went through endless tutors with my oldest son. Now that we found TASK we have been able to stay with the same people and see real results. I appreciate how easy it is to talk to the actual owners and we have never been disappointed- Thanks so much!"

The Midterm Crunch

Need a quick brush up? Call us this week!

Midterms have quickly come upon us and for many kids are causing a bit of anxiety right now. For many students this may be the first 'big' test since Common Core has really set in. Giving them the opportunity to do a quick review with a teacher, a few crash sessions, can really help. TASK LI will honor your current rate for any subject you want to add a few review sessions for. Contact us ASAP so we can schedule!

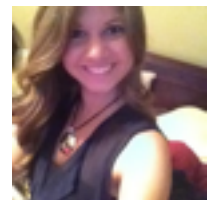

Test Taking Tips...

- ✦ Study/ prepare properly!
- ✦ Don't stay up all night studying... SLEEP!
- ✦ Listen closely to instructions & attack each question individually
- ✦ If you finish early, GO OVER IT!
