## Monthly Membership/Skill Sessions (# 1-12)

## Test Prep/Enrichment (#1, 7, 8, 9, 10)

### 1. Code of Conduct

TASK LI expects all students and parents to be respectful to one another at all times. If any student, or parent/guardian, have a concern with another individual, please bring it to the attention of TASK staff.

### 2. Structure of Skill Sessions

Students are encouraged to bring in work from school that they are having a difficult time understanding or may need assistance with. Using materials they are most familiar with will aid in the generalization of skills from the TASK center to school. However, all monthly membership students will have a personalized file at the center with appropriate content for their needs. TASK staff, on an ongoing basis, will select these activities based on their performance and noted areas of skill need.

### 3. Skill Sessions Drop-off/ Pick-up

Students may be dropped off for one skill session daily. All skill sessions are one hour in length. Students should not be dropped off earlier than 5 minutes prior to the start of the session (for occupancy reasons). In order to guarantee your child's seat in the session, you will need to 'sign up for a slot' on Signup Genius. Their website can be reached at [www.signupgenius.com](http://www.signupgenius.com) as well as through their free app. You will also receive an invitation via the email address you provide us. If you do not book a seat, you may call ahead to inquire for an available seat or walk in. If a seat is available, your child may take it. Pick up is immediately following the session ending. TASK LI is not a daycare service and we will be unable to supervise your child after the session ends. If a child is not promptly picked up, within a 10-minute window, a supervision fee of \$25 may be charged to your account.

### 4. No-Show Policy

I understand that once I have selected a seat and cannot attend it any longer, I must de-select the seat on Signup Genius. If my child is a no-show for a pre-selected seat, I will be charged \$5 per incident (first time waived as a courtesy).

A one time, \$25 material fee will be charged on day of registration. Mid-month registrations will be **prorated for the first month**.

### 11. Results of Non-payment

TASK LI will auto bill the card on file. If an account number has been changed or cancelled, it is the responsibility of the parent/guardian to update the card information with TASK LI. If your card is unable to be processed, TASK LI will give you two reminders via email and then a \$35 processing fee will be added to your account. If your account goes unpaid for 30 days your account will be closed and if you chose to reopen it, it may be subject to the current monthly rate.
